Evidence that the utility has placed on file with the Village (check if attached or previously submitted):

\_\_\_\_\_ A written traffic control plan demonstrating the protective measures and devices that will be employed consistent with the Illinois Manual on Uniform Traffic Control Devices, to prevent injury or damage to persons or property and to minimize disruptions to efficient pedestrian and vehicular traffic.

\_\_\_\_\_ An emergency contingency plan which shall specify the nature of potential emergencies, including, without limitation, construction and hazardous materials emergencies, and the intended response by the applicant. The intended response shall include notification to the Village and shall promote protection of the safety and convenience of the public. Compliance with ICC regulations for emergency contingency plans constitutes compliance with this Section unless the Village finds that additional information or assurances are needed.

\_\_\_\_\_ Drawings, plans and specifications showing the work proposed, including the certification of an engineer that such drawings, plans, and specifications comply with applicable codes, rules, and regulations.

\_\_\_\_\_ Evidence of insurance as required in Section 8-2-6 of this Chapter.

\_\_\_\_\_ Any request for a variance from one or more provisions of this Chapter (See Section 8-2-16).

\_\_\_\_\_ Such additional information as may be reasonably required by the Village.

\_\_\_\_\_ Unless otherwise provided by franchise, license, or similar agreement, all applications for permits pursuant to this Chapter shall be accompanied by a fee in the amount of \$100.00. No application fee is required to be paid by any electricity utility that is paying the municipal electricity infrastructure maintenance fee pursuant to the Electricity Infrastructure Maintenance Fee Act.
